## F.U.A. Discusses Credit Unions

The regular meeting of the Vulcan West Joint FUA was held at the home of Mr and Mrs. Jack Fisher on Oct. 20, with eight members and one visitor present. Bill Hilz, the local president, presided over the business, assisted by the secretary, Mrs. Opal Lucas. Correspondence from FUA headquarters was read and dealt with and this was followed by a lively discussion on Credit Unions with the possibility of perhaps forming one in this area. It was decided that further information was necessary on same and Les Duckmanton volunteered to try to have a speaker at one of the meetings in the very near future.

The coming membership drive of the FUA was then discussed with Jack Fisher being elected as captain and he will select the canvassers for the Vulcan West district.

Following this a surprise party for Mr. and Mrs. Lionel Lucas was planned with arrangements being left to a committee consisting of Mr. Duckmanton, Mrs. Lucas and Mr. and Mrs. Fisher.

After the business part of the meeting was concluded the guest speaker, Herb Bender, was introduced. Instead of a talk Mr. Bender who is the FUA insurance agent for this area, answered questions which dealt with auto and fire insurance as set up by the Co-operative Fire and Casualty Co., which he represents. This proved very informative.

The hostess then served lunch at the conclusion of the meeting.

## SERVICE BOARD NOTES

By H. S. Burns

Up to the date of Oct. 25, there were a total of over 1000 heifer calves vaccinated for Brucellosis. This is a considerable increase in the numbers done over the same period in former years. With continued fine weather and good cooperation from every one concerned, this fall program can be completed, or very nearly so by the end of the year.

From our observations, the current crop of calves are in better condition than usual, and there are ample supplies of rough feed stored for the winter.

There are quite a number of calves being purchased for feeders in some areas, but with the high price being bid for these animals there is a bit of a problem to locate feeder cattle at a price that will return an assured profit to the feeder.

## Badminton Club Ready For Play

The arrival of the fall season has brought back the game of badminton to Vulcan with the Armouries once again busy with Thursday and Sunday nights play.

Swinging into its fifth year, the club of about 25 active members will retain the executive members who served last year, until elections are held early in December. Nels Jamison is president while Mrs. Jackie Larkins is secretary. On the draw and rules committee are Bob Petrosky, Neil Carvin and Dave Mitchell.

A volunteers crew went to work last Friday night armed with paint brushes and masking tape, renewing the faded lines of the two courts and they are now in presentable condition, ready for the season.

In previous years the club has made exchange trips to groups in Claresholm, High River, Armada Parkland and more of the same is being planned during the next several months. Badminton is played from October until the following May, and memberships are open to men and women. The club has built up a supply of rackets in order that those without full equipment need not be left out of the sport.

## Shower Honors Miss Frances Earl

Friends of Miss Frances Earl gathered at the Legion Hall last Saturday evening, when a miscellaneous shower was held in her honor.

Mrs. Beulah Allen beautifully decorated the lace-covered tables in a white and pink wedding motif of flowers, streamers and candles. Seated at the bride's table were the guest of honor; her mother, Mrs. Elsie Earl; her sisters, Misses Charlotte and Gwen, and Irene who is to be the maid of honor.

Mrs. Cecile Emelson presented Frances with a corsage from which peeped two silver coffee spoons.

The musical interlude was played by Miss Rita Callaghan. Mrs. Alice Scales and Mrs. Kay Peard were in charge of the entertainment. The Girl Guides caused much merriment with a few comical tricks.

Two young Brownies, Hazel Allen and Linda Dumka brought in a decorated basket of gaily-wrapped gifts. They were followed by Guide Louise Graham and the trio smartly saluted Frances who was a Brownie Pack Leader.

Miss Louise Graham made the presentation to Frances and expressed the good wishes of her many friends. The bride's mother and Mrs. Holm assisted in unwrapping the gifts. Irene looked after the gift book. Brownie Barbara Fettie made bows and rosettes with the gift ribbons and presented them to the bride-to-be. Frances very graciously thanked her friends for the good wishes and beautiful gifts and invited them to her home in Calgary.

A dainty lunch provided by the CWL and friends was served by Mrs. Cecile Emelson, Mrs. Rose Douville, assisted by Guides and Brownies.

## Meeting Hears Details Of Proposed Home For Aged

At a meeting held in the County Office Monday evening and attended by representatives of the County, the Town of Vulcan and the Villages of Champion, Carmangay, Lomond, Milo and Arrowwood, details of the proposed home for the aged to be constructed in Vulcan next year under the provincial government program were given by Ken Austin, director of homes for the aged for the Department of Welfare, and by Hon. Peter Dawson, MLA for Little Bow.

The home, to accomodate 50 persons, will primarily serve the residents of the county area, but will not necessarily be restricted to residents of the area, and the proposal to build the home in Vulcan was unanimously approved by the 30 persons present.

Mr. Austin presented census figures from 1956 showing that of Alberta's million-plus population, about 19,500 were aged 70 years or over. Of that number, about 18,000 were residents in Calgary or Edmonton.

Approximately 25,000 are located in rural areas, and by a government estimate that 10% would wish such lodging 50 homes each accommodating 50 persons should satisfy present needs.

Accommodation for 50 is considered an "ideal" number, said Mr. Austin, because it costs little more to provide kitchen and dining and entertainment facilities for 50 that it does for 35. Over 50 however, the cost of building and administering multiply out of proportion.

The homes will be turned over to the municipalities completely furnished and landscaped.

Homes become the property of the people in the area, and ownership is to be shared equally among participating municipalities.

Each municipality will elect one director to the board for administration purposes. Assisting in the operation may be "lay" groups such as representatives from service clubs, religious groups, etc., although authority rests with the elected body.

Experience has shown that cost of operation is $51 or $52 per month, per patient. The usual charge is $60 a month per person (of a $70 old age pension, an individual is entitled to keep $10 spending money) so that if the home operates at capacity a surplus of $3,000 or $4,000 a year is possible.

Mr. Austin envisaged this money becoming part of a sinking fund, perhaps to be supplemented with service club funds to build low-rental housing units for older couples. "Within a short time," he said, "there could be a completely integrated type of care for the aged."

While local administration will be autonomous, Mr. Austin explained that the provincial government may insist on a few basic regulations, "not to restrict but to standardize."

For example, it wouldn't do for one home to charge $45 a month, and another in a different area $60. "This would breed discontent," he stated.

The boundaries of an area shouldn't become artificial barriers to deny admittance to persons who may live outside the area. While those living within would have priority, a working arrangement between homes is necessary and desirable.

**Nursing Home Program**

Replying to a statement that the greater need in this area was a nursing home for aged bed patients than a home rather which made no provision for bed patients, Mr. Austin stated that a program for the construction of nursing homes is now being studied by the Department of Health. Statistics indicated that a 35 bed nursing home would serve this area and information regarding this project would likely be forthcoming in the near future.

Vulcan was chosen as the site for the home for the aged purely because it is the most central point in the County of Vulcan, he said. The proposed home would require a staff of six or seven.

It is expected that the homes would not be filled to capacity or near capacity for several months after completion, he said. Any operating deficit in these first few months would be very small and would be shared by the participating municipalities on an assessment basis. In conjunction with the nursing home program, the homes for the aged would release many active hospital beds and would provide a considerable saving in this respect.

Appointment of representatives of the various municipalities to the provisional board of directors resulted as follows:

County of Vulcan, J. E. Carlson (chairman) and J. M. McKay; Vulcan town, William Munro; Champion, George Smith; Carmangay, Ben Brown; Lomond, Henry Huff; Milo, Robert Bertrand; Arrowwood, Dayton Williams.

The proposed site for the home, cost of which will be shared by the municipalities, is at the north-west side of town, on land owned by C. E. Robson and adjacent to the golf course. The location is already served by utility lines and is within easy walking distance of the downtown area.

## Regular Meeting Good Deeds W.I.

The October meeting of the Good Deeds W.I. was held at the home of Mrs. Luella Chaffin with 11 members present. They answered the roll call with a Hallowe'en decoration. Mrs. C. Dennison gave the C.A.C. report.

Also discussed was the bake sale to be held on Nov. 15. An electric tea kettle will be raffled at this time. Mrs. C. Brown was named convener of the bake sale.

Mrs. L. Duckmanton who received a baby gift thanked the members present. Mrs. L. Duckmanton also won the tea raffle.

## Siren To Sound At 9 p.m. Daily

The fire siren in Vulcan, which is now tested for 60 seconds at 12 noon each week-day, will in future also be sounded for 30 seconds at 9:00 o'clock each evening, serving as a time signal for the curfew hour.

The police department has been instructed to enforce the curfew by-law, which calls for all children under 16 years of age to be off the streets and out of public places by 9 p.m., unless accompanied by parents or guardian.

## Golden Wedding Celebrated

More than two hundred people of the Arrowwood and Mossleigh communities met in the Community Hall at Arrowwood on Oct. 3, to help Mr. and Mrs. Albert N. Thorssen celebrate their 50th wedding anniversary.

Mr. and Mrs. Thorssen were born in Sweden, met in Superior, Wisconsin, and were married in Spokane in 1908. They have always been ardent supporters of church and community work. Mrs. Thorssen has a keen appreciation of music and was a member of a string band when they made their home in Spokane. Mr. Thorssen purchased land in the Gleichen area and later he and his brother, Theodore, purchased land in the Namaka district where they lived for several years.

After purchasing their present holding from the Indian Department in 1917 they made this district their permanent home. They were largely responsible for building the UFA Hall in Arrowwood and Mrs. Thorssen has served as treasurer of the FWUA for many years.

Friends and relatives from near and far came to enjoy their party. A program of skits, music and dancing rounded out an evening of good fellowship and fun.

They were presented with a lovely oil painting of a harvest scene and an illuminated scroll from the people of the Mossleigh and Arrowwood communities. In making the presentation M. H. Ward made mention of the fact that they were the very finest kind of citizens.

Mr. and Mrs. Wendell Johnson of Spokane brought greetings and best wishes from their friends in the First Covenant Church of Spokane. They presented them with a reading lamp as a mark of appreciation of their devotion to their church throughout the years.

Mr. and Mrs. Thorssen have one son, Al, well known in our district; a daughter, Mrs. Charles F. Shemely of West Covina, Calif., and a granddaughter, Mrs. John Dahlberg, and two great-grandchildren.

The reception table was centred with a beautiful three tiered wedding cake made by Mrs. Mervin Norton. Beautiful bouquets of chrysanthemums and seasonal flowers were used throughout the hall. That they may have many more years of happy married life is the wish of the entire community.

# U.F.A. Co-op President Discusses Farm Organization

Mr. Geo. E. Church, president of U.F.A. Co-op, in a recent interview drew attention to the fact that November 3-8 is National Farm Union Week. He stated that in this drive for membership in the Farmers' Union of Alberta, farmers have the opportunity to show that they are united in their efforts to do something about the Cost-Price squeeze. Mr. Church said he felt it was vital to the welfare of Alberta farmers that an enthusiastic sign-up be made when canvassers call during this week. He stated that the effectiveness of the program of the F.U.A. for the next 12 months would hinge on the outcome of this membership drive and expressed optimism that the farmers of Alberta would rally to the support of their Union.

The president of U.F.A. Co-op said if he could address the farmers of Alberta personally, his message would be this: "The membership drive during National Farm Week is your chance to join your Farmer's Union. It is also your opportunity to sign your authorization for municipal collection of dues. U.F.A. Co-op strongly urges all farmers and particularly its members to take an active part in National Farm Union Week. Join the Farmers' Union of Alberta. Get your neighbors to join.

An old-time resident of the Mossleigh district, Hugh R. Leslie, passed away in a Calgary hospital on Oct. 4, at the age of 74, after a short illness.

Mr. Leslie was born at Aberdeen, Scotland and came to Canada as a young man, where he married a girl from home, almost 51 years ago.

He is survived by his wife, Lily, three sons, Ray, Joe and Hugh, Jr., all at Mossleigh and three daughters, Mrs. F. McColeman (Mary) Calgary, Mrs. G. Huntley (Maratha) Lyalta and Mrs. B. Bertschy (Muriel) Mossleigh, sixteen grandchildren, one great-grandson and one brother, Jack, in Vancouver, B.C. Another brother passed away the day before him.

Funeral services were held on Oct. 7, at Foster's Garden Chapel, with burial following at Mountain View Memorial Gardens. Rev. R. Gibson of Carseland, officiated, with Win Lasher as soloist.

Pall bearers were Nelson Kilpatrick, Walter Steiner, Milt Powe, Miles Hurl, Wilfred Hagedorn and Eb. Bremner.

In 1907, New York ordered its first motor-driven fire engine, ushering in a new era of scientific fire fighting. Those who man today's modern fire equipment are aided by millions of volunteer Junior Fire Marshals across the country.
